13 Years Together

To The Graduating Class Of 1998

*As Freshmen in '94 you came
Lots of information and knowledge to gain
History, Math, Science, and English too
Band, Spanish, Art – What should you do?
Work to be done and choices to make
So many decisions – What should you take?
Fundraisers, fundraisers, fundraisers galore
Floats, Proms and Tug-Of-War
Keeping you physically fit and strong
With all your sports, you couldn't go wrong
I look at you now – you all have grown
Soon you'll be gone and out on your own
Remember the fun of your high school days
Cherish your memories in every way
I've grown to love you – your class is great
God Bless each of you -- The Class Of 1998!!*

1998 Valedictorians

Daniel MacDonald Bonine

Dan is the son of Al and Mary Anne Bonine. In the fall he plans on attending Michigan State University to pursue a career in engineering. Over the past four years, Dan has been the vice president of National Honor Society and participated on the Quiz bowl team. He has been active in the Kalamazoo County 4-H program for the past eleven years and has enjoyed participating in varsity wrestling, varsity soccer, and varsity tennis.

Jeremy Adam Felth

Jeremy is the son of Bob and Sandy Felth. He is Michigan Tech University bound, where he will major in Mechanical Engineering. In his high school career, Jeremy was involved in Student Council as vice president, National Honor Society President, and Quiz Bowl. He was also active in football and basketball.

Carrie Louise Goodrich

Carrie Goodrich will be attending Valparaiso University this fall. She is going to major in engineering. Carrie is receiving the university's Presidential scholarship and an Athletic Grant for playing on their volleyball team. In high school, her extracurricular activities include National Honor Society, Yearbook Staff, Student Council, Drama Club, band, varsity tennis, and varsity volleyball. Carrie is the daughter of Arron and Beth Goodrich.

Amber Renee Start

This fall Amber will be attending Michigan State University. She will be majoring in veterinary medicine and specializing in equines. Throughout high school, Amber has participated in 4-H, National Honor Society, Student Council, school newspaper, Quiz Bowl, and several volunteer activities. Amber's parent is Laurie L. VanDerBos.

Salutatorian

Sara Louise Maile

Sara is the daughter of James and Marie Maile. She plans on attending Hope College to study veterinary medicine. Over the past four years she has been a member of the Drama Club, National Honor Society, and participated in band where she was drum major for two consecutive years. For the past eleven years, Sara has enjoyed being a member of 4-H.

"What is Love"

Love is like an arrow that flies
through the air
Making people happy
everywhere

It pulls us together instead of
apart
As we love each other with all
our heart

We kiss each other and learn to
forgive
We should all remember what
true love really is

As we love each other and learn
to forgive
We should all remember what
true love really is

There's one key to life and that
is
Love each other with all your
heart
Cause if you don't it'll pull you
apart ...

By Blair Morris

4-18-96

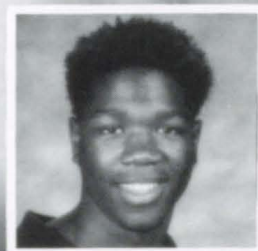

Racism is like a knife that pulls
us apart
As it messes up our minds and
tears up our hearts

Why so much hatred in the
world today
As if we can't love each other
or even play

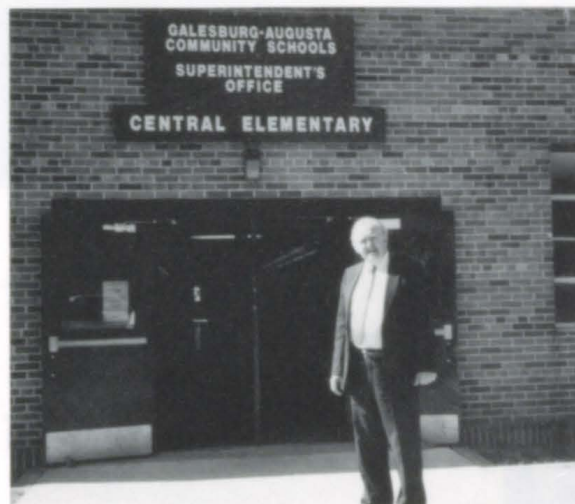

You could be black and I could
be white
Long as we love each other it's
all right

Why act as if you don't care
when the real problem is
We're all just scared ...
"Racism"

Happy Retirement Dr. Ron

Dear Members of Galesburg-Augusta Community Schools, its Staff and Students:

I want to take just a few moments of your time to express my gratitude to all of you for allowing me to be your Superintendent for the past several years. I have been pleased to be part of such a vibrant community. The students have been a continuing source of pride to me for their kindness and achievements. The staff, one of the hardest working anywhere, have also been gracious and kind during my tenure in Galesburg-Augusta.

What can I say about a community that has been supportive of the school system. You have always treated me well and I really appreciate that.

As I go into retirement I leave with many fond memories of Galesburg-Augusta and I want you to know how much I appreciate you giving me the opportunity to work on behalf of your students, the staff and your community. I will always keep you in my thoughts and wish you well as you continue the important task of educating our young men and women.

Sincerely,

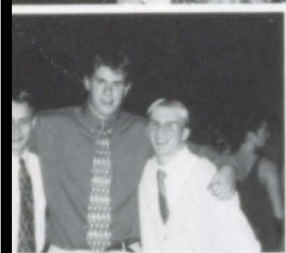

Ronald R. Mrozinski

We hope you're feeling well today.

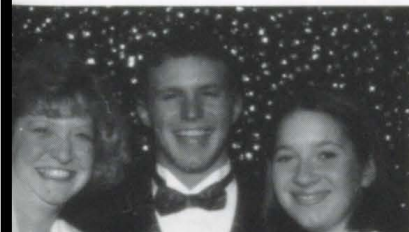

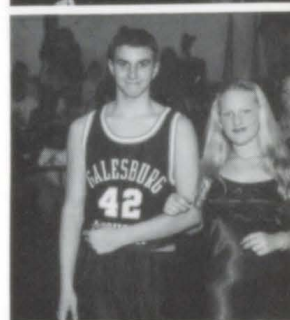

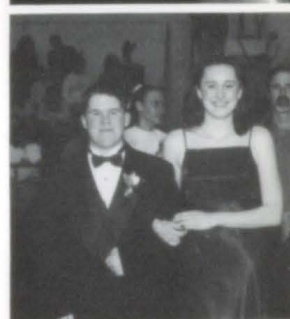

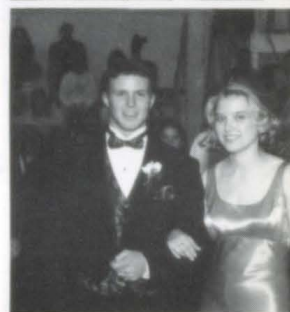

When you're feeling well you may take your health for granted. That's only natural. But it may make you feel even better to know that there are 30,000 people at Pharmacia & Upjohn working to keep you that way.

We're searching for cures to diseases like cancer, AIDS, diabetes, Parkinson's, growth disorders and arthritis. Along the way, we're finding more effec-

tive treatments for these and other diseases. Our goal is not only to help you live longer, but to make sure those years are healthy and productive. Every step we take towards that goal makes us feel better as well.
